

## Meet Our Dogs of The Earl ~ Issue 1

**Sydney** has visited the EOM quite a few times now – Sydney is our veteran by far as he is 16 years old and still looking amazing!

**Max** (Retriever-poo) who is also becoming a regular, is a very handsome boy – in for lunch with his Mum & Dad

Two new friends to the EOM – **Snowy** and **Tramp** who are making the most of the complimentary biscuit's, well it would be rude not too.

Meet 'foxy' **Roxy** enjoying a well deserved rest at the EOM – and Roxy is rocking that bandana!

Could **Thor** be any prouder of her son **Aspie**.

Meet **Keenai** – just settling in from her very long flight from Uganda - welcome to England and of course The Earl of March, may your tail wag always!

Meet **Brie** (French Bulldog) the new pup on the block – he is only 20 weeks old, but as you can see he has sorted himself a prime place at the bar – think we will be seeing a lot more of Brie.
